Dear Mr and Mrs MacHarg,

I am writing on behalf of the Royal Agricultural College students that came to visit your farm a number of weeks ago.

I wanted to write and thank you for the time and effort that you spent welcoming us to your farm. I know that I speak for us all when I say how much we learnt and took away from the visit, and we are very grateful to you for being so hospitable and generous towards us. It was lovely to have a more informal chat over a cup of tea afterwards too, so thank you for providing refreshments.

It truly is invaluable for us to meet farmers and businesspeople that are so clearly passionate about what they do. The motivation that you have afforded us will continue long into the future. It is very important that we gain knowledge from those currently in the agricultural industry and for this reason, we are thankful to you for providing us with such an interesting and informative tour. Your inspirational attitudes will not be forgotten!

Thank you once again, we wish you every success for the future.

Yours sincerely,

Florence Bryant,

On behalf of the Royal Agricultural College.
